## Description:

Find the perfect sealant for all your needs with Selleys' wide range of options. From multipurpose sealants that provide long-lasting protection around the home to silicone designed specifically for certain materials, there's a Selleys sealant solution for every part of your home. Products include mould-resistant sealants for wet areas, UV and weather-resistant roof and gutter sealants with 25-year guarantees, and special sealants for glass, fire-rated seals, and electrical insulating applications. Selleys sealants protect against mould, water damage, reduce outside noise, regulate room temperature, and reduce energy bills.
